A sneak peek at our new products

Alongside our classics, we will showcase a selection of new products in innovative formats and trendy flavours.

The cookie takes centre stage:

In individual portions with our **Cookie Crush** range, Millionaire, Gianduja, Pistachio with melting centres, or the more classic Chocolate Chip, we offer generous, indulgent recipes. In XXL format, **our cookie to share, awarded Pépite de la Boulangerie 2026**, completes the range. Perfect as a plated portion or a grab-and-go snack, it suits every occasion.

The Dubai Chocolate trend also makes its mark in our catalogue with a **tartlet** combining pistachio feuilletine, smooth chocolate filling, and pistachio pieces.

On the frozen side, discover our **Mochi**, combining cocoa rice dough, plant-based pistachio ice cream, kadaïf crumbs, and a chocolate-hazelnut centre, for a flavoursome bite rich in textures.

Indulgent and innovative creations to discover very soon at our stands!
